Volunteers who use their personal automobile to provide transportation to a client in the course of a volunteer assignment with HealthSET must provide HealthSET with the following:

1. Proof of current operator's license.
2. Proof of motor vehicle liability coverage required by the State of Colorado.

As a volunteer, I understand that I am not an agent or employee of HealthSET, and I agree that IF my services involve transporting any person, I will maintain my driver's license and liability insurance on my vehicle in accordance with the laws of the State of Colorado. I understand that HealthSET provides no auto insurance coverage for volunteers and will not compensate me for any loss or damages incurred while providing transportation. I will notify HealthSET as changes occur in my insurer name or coverage.

I, the undersigned, have read and understand the above.
